who we are

HPP Oldham pictured in 2006.

HPP was formed in 1991 with the sole aim of supplying components to the furniture industry.

Since that time the company and product range have expanded greatly to cover a huge range of full and processed sheet material, vinyl wrapped furniture doors and furniture fittings. Although the original area of operation was Greater Manchester this has expanded greatly to include virtually the whole country.

HPP now has more than 140,000 sq ft of floor space on two sites, continued investment means our production processes use the latest technology, offering quality manufactured products in short lead times. Coupled with our integrated IT system this ensures a smooth work flow from your order being placed to being delivered to your door.

All of which goes towards our ultimate goal, 'to be the best supplier in the furniture industry'.

what we do

At HPP our product portfolio falls into three distinct Categories:

Board

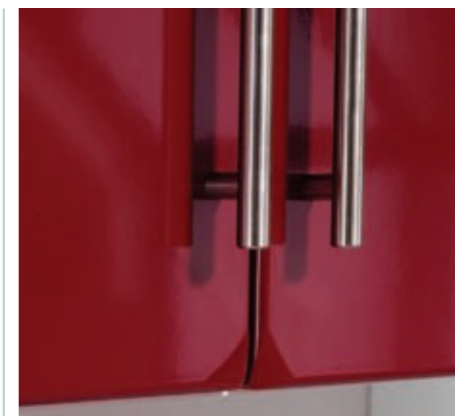

Sheet material is where it all began for HPP. Since the company started our range has expanded to offer over 150 decors of products such as MFC, MDF, HDF & laminate.

We enjoy excellent relationships with key industry suppliers such as Kronospan, Egger, Sonae and Finsa meaning we will be able to fulfill your needs whether large or small. As well as full sheet material our ever popular off the shelf range of 'Cut & Edged' MFC offers the most popular decors in industry standard widths. With both 15 and 18mm available the range of applications is almost endless. Furthermore if we do not stock the cut board you need we offer a comprehensive cut to specification service, whereby we can cut and edge sheet material to your exact requirements.

Doors

Our dedicated door department use the best quality materials and latest techniques to ensure every HPP door stands up to the rigours of everyday use.

Our range of twenty five styles and thirty finishes means there is a solution for every situation. Every door is made to order to bespoke sizes giving an unbeatable level of flexibility. Most of our doors come with matching backs and are backed up with matching sheet material, 'Cut & Edged' board and a variety of accessories.

Fittings

Our fittings range has grown steadily over recent times to comprise a comprehensive package of products for almost every application. HPP are one of the biggest distributors of Blum product in the UK and as such we enjoy an excellent relationship with the well respected multi-national fittings supplier. We carry a wide selection of Blum products in stock and can arrange special orders for anything we do not supply off the shelf.

In addition to this we also offer high quality ranges of handles, wirework and lighting. Finally our range of accessories and fixings means we truly are a one stop shop when it comes to buying everything you need for the job.

Although we have made every effort to make this brochure as comprehensive as possible the dynamic nature of our product range means the very latest additions to our range may not be listed. If you cannot find what you are looking for please ring the sales office and ask, if we do not already stock what you want we may be able to source it for you, or suggest an alternative.

Full details on how to order can be found overleaf.

how to order

The easiest way to order is to copy the order form from the back of this brochure, write down your order and

FREEFAX it back to us on: **0800 146 209**.

You can also e-mail your order to us at: sales@hpponline.co.uk.

Please ensure you include all the information we need so your order can be processed promptly.

However should you wish to speak to a member of our sales team please contact the sales office on: 0161 620 5656.

Alternatively call in to one of our trade counters where our specially trained staff will be more than happy to help.

Our sales offices are open 8am-5pm Monday to Friday.

how to pay

If you do not have a credit account with us, we will require payment before any goods are dispatched.

We accept all major forms of credit & debit cards, cheques and cash.

If you wish to pay by cheque please write your name, address and contact phone number on the reverse.

delivery

For details of our delivery areas please see the information opposite. Orders must be received by 3pm for next day delivery to allow us time to process and pick. Orders over £150 ex VAT will be delivered FREE of charge. Orders under this value and those outside our standard delivery areas may incur a delivery charge.

Please note that door and cut to specification orders will be subject to lead times. You will be advised of the delivery date when you place your order.

Alternatively goods can be collected from either HPP Oldham or HPP Sheffield.

NATIONAL SALES LINE: 0161 620 5656

NATIONAL FREE FAX LINE: 0800 146209

e: info@hpponline.co.uk

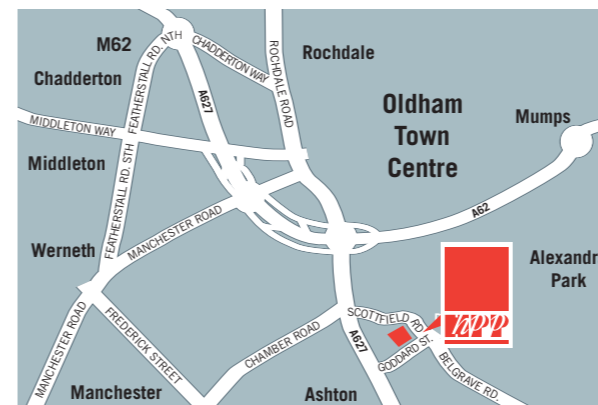

w: hpponline.co.uk

All fittings can be delivered next day nationwide. Bulkier products such as chipboard and doors are delivered using our own fleet of vehicles within a radius of approximately 100 miles of both branches.

Delivery outside of this area can be arranged subject to minimum order quantities and/or carriage charges. Contact your representative or the sales office for further information.

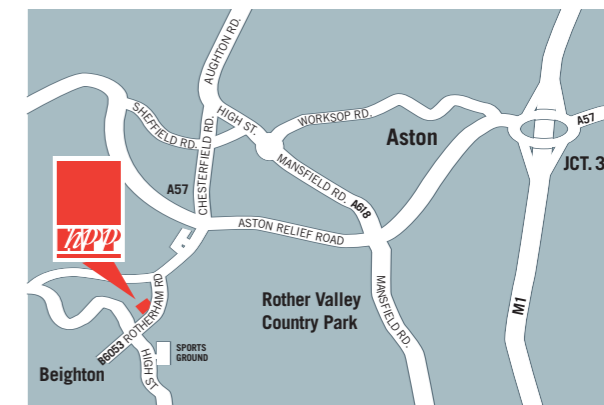

Trade Counters

We welcome the opportunity to meet our customers, so why not come and see our trade counters. You will find them well equipped with displays and demonstration units for many of our products. Further to this dedicated trained staff are always on hand to help with any queries you may have. Although not as comprehensive as our Oldham trade counter our Sheffield branch still offers product displays and the same level of customer support.

your one stop resource for everything you need to know about HPP.

We have been busy developing our new website and online ordering system, we see internet ordering as having many customer benefits that will increase over time.

Benefits and features of the system include:

- Real time pricing, including customer specific discount and special nett prices.
- Place orders 24 / 7 directly into our system.
- View our latest products as soon as they are launched.
- Enhanced product resources and technical information available to print and download.
- Fax or e-mail confirmation when order is checked and verified.

Our database integration means all information is updated in real time and we have the ability to continually add functionality. Future planned enhancements include:

- Downloadable statements.
- View recent order history.
- Online ordering for bespoke products such as doors and cut to specification MFC.

To get online with HPP simply contact the sales office or your representative, who will be able to help you create your online account.
