SE10625W0 - Viva Multi LED Flexible Strip - 2m Reel Warm White

(One light kits of the 1m and 2m lengths are also available. These packs include; 1 x the length of strip ordered, 1 x driver connection lead and 1 x SE40555 15W LED Driver).

Key Selling Points:

- Three lengths available, 500mm, 1000mm & 2000mm.
- Quick and easy installation - strip has self adhesive backing tape.
- Male and female ends on the strip allow you to join multiple strips to create the length that you require. A maximum length of 12m is achievable using one 60W driver.
- The strip can be cut every 50mm. Scissor icons mark where the strip can be cut.
- Cut-off pieces can be re-used using the mini-cut connector.
- Very versatile, use on plinths, under or above cabinets, around island units, under breakfast bars or for design projects.
- All you need to install is an adequate amount of flexible strips, driver connection lead(s) - one per run of strips and a LED driver.
