

Benefits

- LED technology for long service life
- Stylish and easy to install
- Ideal for use on kitchen plinth

Key Features

- Selectable colour temperature
- Reduces multiple SKUs
- High light output
- Fittings can be daisy chained for simple installation
- IP44 rated
- Available individually or as a pack of 4 or 8
- Diffused cover, no visible LEDs

Product overview

The Halo TrioTone is a stylish, discreet and recessed fitting suitable for use on kitchen plinth.

The Halo TrioTone is a sleek, multi-functional fitting enabling the user to choose the desired colour temperature from warm white (3000K), to natural white (4000K), to cool white (5000K) by simply using the button on the underside of the fitting. Suitable for any type of kitchen design.

Using plug and play technology multiple fittings can be daisy chained together which provides a flexible system that can provide meaningful combinations to meet design demands.

The Halo TrioTone is easy to install and has a diffused cover so that the LED points are not visible.
