

MORE FROM WOOD.

Texture Meets Colour
Stylish combinations for
a bold or subtle finish.

U699 ST40 Fir Green

Mix and match 14 decors* across three textures for a timeless, cost effective alternative to painted timber.

All combinations are available as 18 mm Eurodekor Faced Chipboard with coordinating edging. The carbon negative board is made in Hexham, Northumberland, using recycled wood and sawmill by-products. It is 100% recyclable following use and is suitable for door frontals, carcassing, wall panels, wardrobes, and more.

Edging is available in both 23 × 0.8 mm and 23 × 2 mm. For ST19 boards we have matching edging in ST19 and for our ST12 and ST40 boards we have a ST40 edging available.

Find out more at www.egger.com/texture-meets-colour

*For specific colour requirements a painting grade board can be produced in ST40.

Our textures

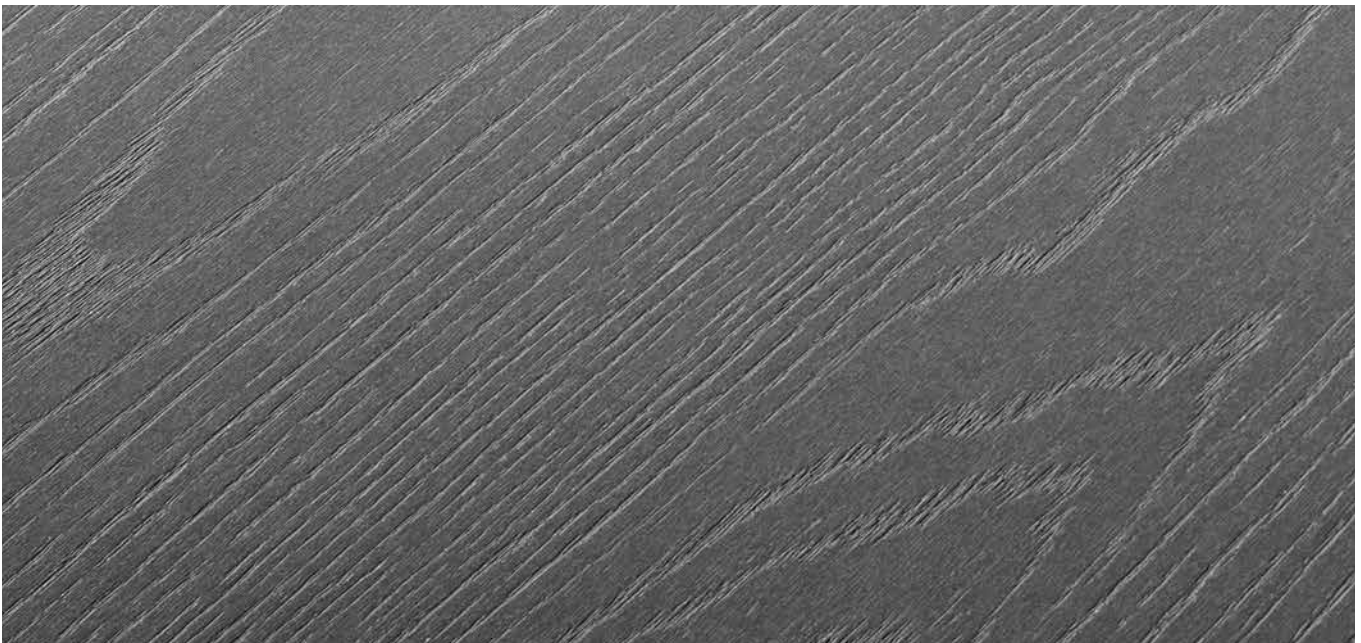

ST12

ST19

ST40

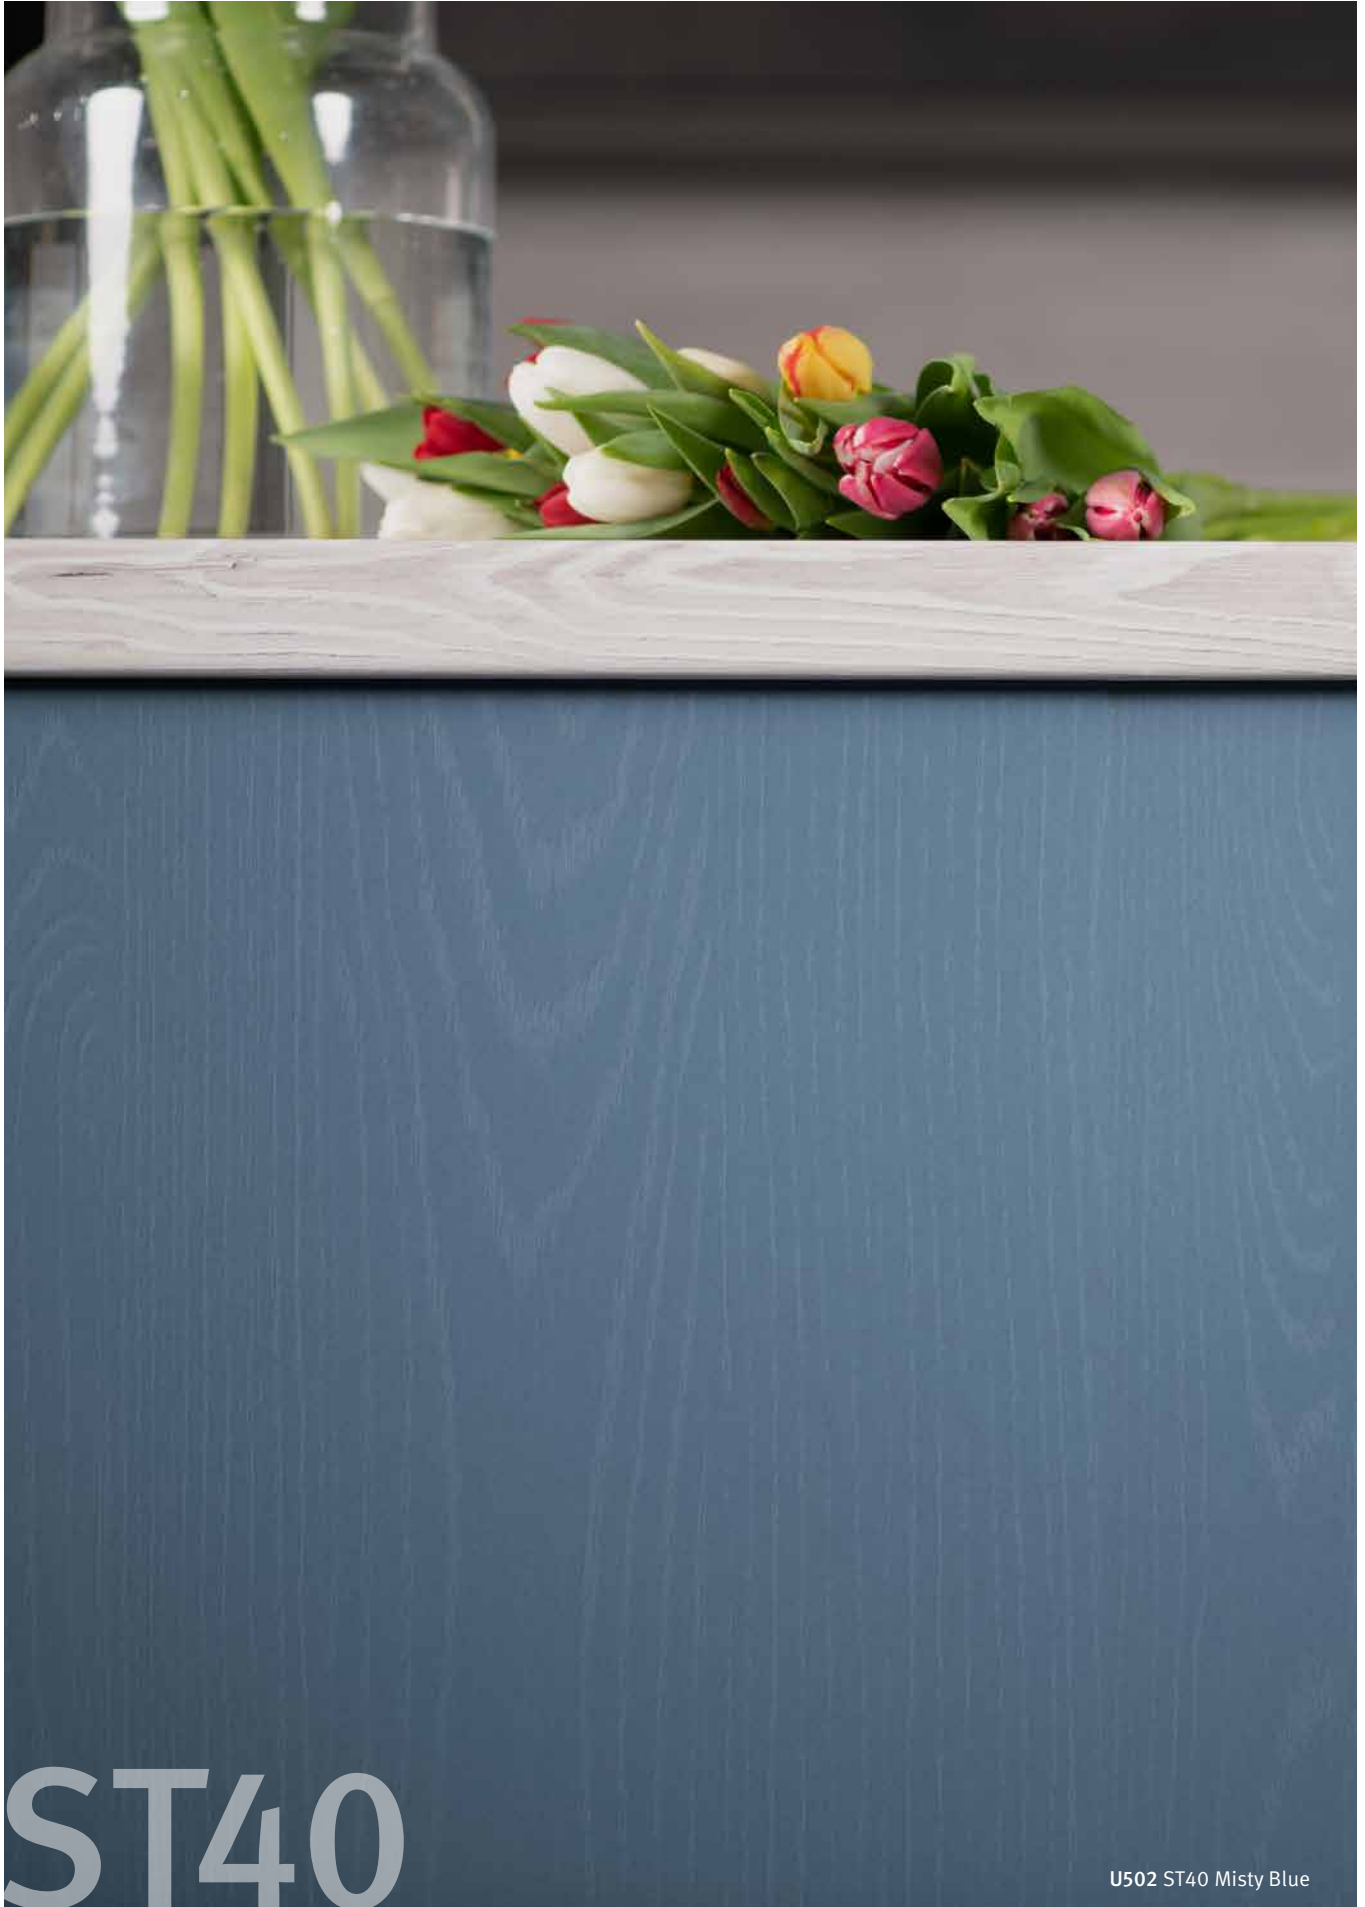

A subtle woodgrain texture gives this surface its natural look, suited to kitchen unit carcasses.

Lightly planked, with a linear grain and matt-gloss effect.

ST40

U502 ST40 Misty Blue

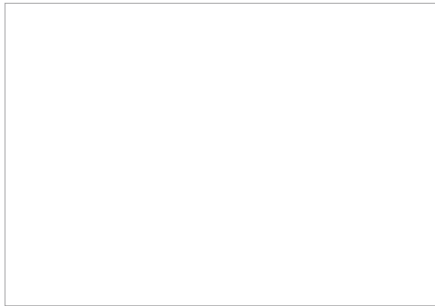

ST40 texture has a bold, more traditional look, with a deep matt structure that truly replicates a refined painted oak.

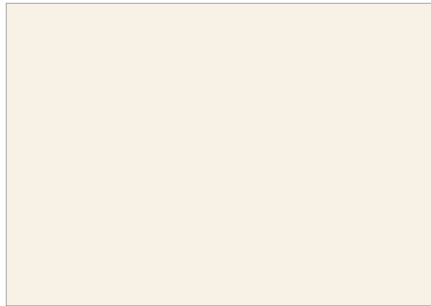

Our decors

All decors available to order in all textures.
