Key Selling Points:

- This amazing pendant features a polished chrome finish with a beautiful crystal layer at the bottom of the fitting.
- The pendant has 972 integrated LEDs that bounce light off the crystals to create a stunning sparkling light effect whilst providing superbly bright illumination.
- This pendant is dimmable so you can adjust the brightness as required.
- The 1.2m cable is adjustable so you can tailor the piece to fit your ceiling height.
- The pendant is also great for use in bedrooms, above kitchen islands or dining tables and in hallways.
- With an IP44 rating, this pendant is also suitable for use in the bathroom.
