**SE32101W0 - Zirconia Crystal Cone Pendant Light**

## Dimensions:

## Key Selling Points:

- This exquisite droplet pendant features a chrome finish with a clear section laced with floating crystals.
- The 24 integrated LEDs have a long lifespan of 30,000 hours.
- Combine the pendant light with ceiling spotlights for both ambient and task lighting.
- The pendant is suspended on a 1.2m stainless steel cable which is adjustable so you can tailor the piece to fit your ceiling height.
- The pendant looks great on its own or in a cluster of 2 or 3.
- The pendant is also great for use in bedrooms, hallways and above a kitchen or dining table.
- With an IP44 rating, this pendant is also suitable for use in the bathroom.
