Decor ideas from the EGGER Decorative Collection 2017 - 2019

To help you create an upmarket, trend orientated look, EGGER's UK and Ireland Head of Decor Management, Elliott Fairlie, has curated a selection of decor combinations suitable for frontals and carcasses.

Edging is available to match each board, so why not make 'cut & edged' frontals yourself?

Any decors that are also available as a laminate are marked with the following symbol  on the chart.
