Cutting list in m²

Description	Thickness (mm)	Finished size area (m ²)
Left cabinet side, Right cabinet side, Top cross member - front; horizontal, Top cross member - rear; horizontal, Cabinet bottom panel	18	1.184
Cabinet back	8	0.42
Drawer front	18	0.417
Drawer back, Drawer base	16	1.329

Terms of use

Configurator content and services have been developed with the greatest possible care and are updated constantly as our products are continuously updated to ensure the accuracy of the information and descriptions. However, Julius Blum GmbH is not liable for the currentness, accuracy, correctness, precision completeness or deviations of the information and services contained on this website. The information and recommendations provided by the Configurator on this website are not binding. Liability claims against Julius Blum GmbH, resulting from any damages caused by Configurator recommendations or through the use or non-use of the provided content and services or the use of erroneous or incomplete information are strictly excluded. Therefore, if you are unsure (you have questions or require additional information), we ask before using the Configurator's suggested solution for the product specifications and before ordering, that you contact our employees (info@blum.com), a Blum representative or other experts on our products to avoid any misunderstandings. We reserve the right to make changes to model variants, constructions as well as make input errors.
