PerfectSense® Ambiance Square Edged Worktops

EGGER PerfectSense Ambiance Square Edged 20 mm Worktops impress with a luxurious matt-gloss surface. The synchronised textured lacquered surface is perfectly matched to the marble and granite decors to give an authentic look and feel. Partial areas of our granite decors feature higher gloss levels to give an even more natural appearance.

EGGER square edged worktops offer a stylish, sleek profile with clean lines that mirror the look of real granite and stone, with the added advantages of durability, hygiene and effortless maintenance. Application areas include kitchens, bathrooms, offices and retail spaces. Matching splashbacks, upstands and edging ensure a coordinated finish.

Use the Worktops Visualiser to quickly and easily view how combinations of worktops, splashbacks, end panels and upstands work with doors, shelving and drawer fronts.
