Care & Maintenance

Reginox recommends cleaning your tap regularly with non-abrasive cleaners. Warm, soapy water would be best.

All pressures are in bar.

Dimensions supplied are nominal and subject to tolerance.

Inclusion of aerator (if supplied) or restrictors (supplied separately) will affect flow rate result.

Performance details are based on trials under test conditions and are for guidance only,

The manufacturer reserves the right to change product specification without prior notice.

Box Dimensions

Weight (kg)	8
Box Dimensions (mm)	Height 465mm, Width 255mm, Length 355mm
Packed Weight (kg)	10
EAN Number	0658556023365
