## EGGER PerfectSense Ambiance Lacquered MDF

**EGGER PerfectSense Ambiance Lacquered MDF (PA)** impresses with a luxurious matt-gloss surface. The synchronised textured lacquered surface is perfectly matched to the decors to give an authentic look and feel.

The two granite reproductions, F128 PA Black Ambiance Granite and F129 PA Beige Ambiance Granite, impress with partial areas of the decors featuring higher gloss levels to give an even more natural appearance.

The anti-bacterial, velvety, warm surface is ideal for use in kitchens, furniture and commercial areas. Cleaning requirements are reduced due to the anti-fingerprint properties on the matt areas.

## EGGER PerfectSense Matt Lacquered Chipboard

**PerfectSense Matt Lacquered Chipboard (TM)** answers the demand for cost-effective, environmentally sustainable interior solutions. Featuring an upgraded matt lacquered anti-fingerprint surface on our high quality chipboard core, TM is a 100% recyclable material. The velvety finish is suitable for various vertical applications, including frontals, end panels, and carcass material. Three new uni colours can be found in the range meeting the demand for rich, warm uni colour decors. Laminate and edging in PM are available from stock.

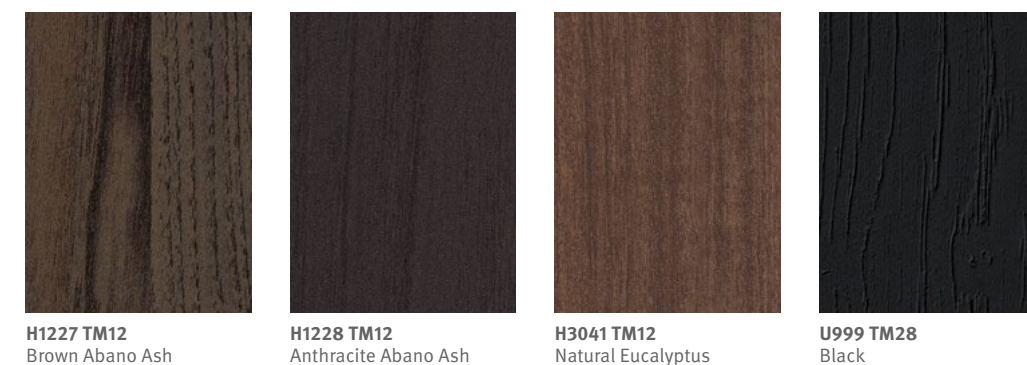

### BENEFITS

- Velvety warm, smooth, matt finish with anti-fingerprint surface properties
- Antibacterial surface properties (tested according to JIS Z 2801/ISO22196)
- 100% recyclable material
- On-trend decors and colour palette
- Resistant to conventional stains
- Resistant to heat and moisture

## EGGER PerfectSense Matt Lacquered Chipboard

**PerfectSense Matt Lacquered Chipboard (TM12 and TM28)** offer a deep matt, realistic woodgrain effect, on a sustainable chipboard core. Our palette of decors combine a soft, anti-fingerprint matt finish with a synchronised woodgrain texture to provide a realistic, yet luxurious finish, ideal for residential and commercial interiors.

## EGGER PerfectSense® Coloured Core Laminate

### EGGER PerfectSense Coloured Core Laminate

**PerfectSense Coloured Core Laminate (PM and PG)** combines the benefits of a premium lacquered surface with those of a solid-coloured laminate. Available in high-gloss or super-matt anti-fingerprint finishes, they offer exceptional durability with abrasion, impact and scratch resistance for both horizontal and vertical applications. Ideal for mitred sales counters, reception desks and cubic furniture elements, the coloured core creates almost invisible joints and edges for a seamless, high-end appearance.

## Space for transparency and responsibility.

We think of active climate protection as its duty. It is extensively investing to ensure it is making the best possible use of the valuable resource that is wood, including the expansion of its recycling collection centres. EGGER's efforts have a common goal: to responsibly manufacture products for its customers.

A healthy home that can be relied on.

[to.egger.link/healthy-living](https://to.egger.link/healthy-living)

We are aware of the importance of indoor air quality for a healthy home. Its products are regularly tested by independent institutes to establish their suitability for healthy living and they fulfil strict international emission standards.

Focus on product transparency.

[to.egger.link/epd](https://to.egger.link/epd)

We prioritises the responsible use of the valuable resource, wood. With externally verified environmental product declarations, EGGER makes the environmental impact of its products easy to determine and highlight its promise: More from wood.
