Key Selling Points:

- The long head of the lamp and 140 degree beam angle allows for greater dispersion of the light.
- Built-in driver for ultimate ease of installation.
- The 350mm flexible arm makes it simple to adjust the position of the light.
- The fitting has a small push switch on the end of the light head, making it simple to switch the light on/off as required.
- Extremely low energy consumption. Each fitting runs at only 1.6W.
- Quick and simple to install. Either hard-wire or connect to a 3-pin plug top and connect directly to the mains supply with no need for an external driver.
