### Key Selling Points:

- Two RJ45 ports for PC/Laptop connectivity. Where wireless internet is not available, the SensioPod™ DATA allows laptops to be connected with the home's internet router or network
- Aluminium casing and slim profile design, in-keeping with contemporary design trends
- Specially designed chrome handle makes it simple to pull the fitting up
- IP54 rated so can be fitted around sinks. The fitting has inbuilt water channels that filter water away if any splashes or spills occur
- Quick release catch and slim profile design the unit will always close securely
- Neon green switch provides a simple means of checking appliances have been turned off when not in use to save on energy bills
- Visible plugs and unsightly cables will no longer be seen as the SensioPod can be retracted fully whilst products are still plugged in
