Key Selling Points:

- The perfect discreet single socket power solution, perfect if you have minimal void space available below the worktop.
- Two USB ports for mobile phone & iPod charging .
- Stainless steel finish top for a high quality finish.
- Alternatively use this product in the side panel of an island.
- The lip of the product which sits on top of the work surface is only 5mm - neat finish.
- The depth of the steel lid itself is only 1mm.
- The hinged lid is magnetised and simply lifts up. The lid will remain upright until closed if mounted in a worktop.
- Illuminated red power icon provides a means of indicating whether there is power being supplied to the product.
- Suitable for use in kitchens, bedrooms or home office.
